Fresh and lively, with a smoky edge to the blackberry and cherry flavors.

Dark red. Youthful pepper-accented cassis and blackberry on the nose, with a suggestion of cracked pepper. Fleshy in texture, with jammy dark berry flavors, soft acidity and a hint of floral pastille. Very persistent sweet blackberry and kirsch on the finish. Vaguely liqueur-like but there's good acid lift and thrust here. Remains just this side of sweet.
