Review Summary

91 pts – #51 in the TOP 100 of 2009

“Polished, plush and generous with its cinnamon and citrus peel-accented plum and cherry flavors, hinting at roasted meat on the smooth finish.”

89 pts “Deep ruby. Smoky dark berries and cherry on the nose. A rich fruit bomb of a shiraz, offering sweet cassis and blackberry preserve flavors and a round, supple texture. Delivers real flavor impact and a long, gently spicy finish. This should be served with a grilled piece of red meat.”

“An attention-getting Aussie red. Rich black cherry and plum with a hint of licorice, mint and smoky bacon. If you like a medium-bodied, spicy red that offers generous fruit and a long finish, try this Syrah from Australia’s Adelaide region.”
