

2016 SHOOFLY SHIRAZ

Review Summary

90 pts “Blimey Charlie, isn’t this an outstanding bargain. It’s packed with warm black fruits decorated with spicy stars from the cooler-grown shiraz (the wine is a blend of SA regions), the flavors hold together like magnets, the finish as compelling as the opening stanza. Don’t hesitate to tuck away a bottle or two in a dark place.”

88 pts “Distinctive, featuring earthy, spicy notes that melt into a juicy, generous core of blackberry, plum and black cherry flavors. Smooth and polished, with accents of cigar box and spice that linger.”
